Low-Resolution Image Usage Policy

All low-resolution images purchased from DSI-TV are supplied for personal digital use only.

Permitted Use

Low-resolution images may be used only for:

- Posting on personal social media accounts
- Private digital sharing with friends and family

Restrictions

Low-resolution images must not be used for:

- Printing of any kind, including prints, albums, framing, merchandise or other physical products
- Commercial use of any kind
- Advertising, marketing or promotional materials
- Business, brand or organisation websites or social media accounts
- Sale, resale or redistribution of the images
- Product promotion, endorsements, editorial or publication use

Important

Low-resolution files are specifically supplied for social media and private digital sharing. They are not licensed or intended for printing or commercial use.

Copyright

All images remain protected by copyright. Purchasing a low-resolution image grants only the personal digital-use rights described in this policy and does not transfer copyright ownership.
